solution might seem inconsiderable to those who seldom if ever buy through the mails, but to those people acquainted with postal money order statistics and the numbers of mail order catalogues annually pointing in, to the resulting loss to this community is staggering.

At this time, when community cooperation and loyalty are doing so much for community growth and prosperity, it seems that an individual and commercial enterprise for one solid year for 100 per cent inoculation of the "buying at home" habit would discover for itself the community the hidden "font of prosperity."

Presumpting that the mail order catalogue cover has been clamped down tightly for one year by the whole community the probable benefits which would accrue to the community are amazing. Firstly thousands of dollars annually shipped out of town would come home to town stores. The increased business would encourage the merchants to serve improvements, the purchase of larger stocks, the lowering of prices and to otherwise improving service to the community.

It is the belief of the author that the merchants store improvements, the purchase of larger stocks, the lowering of prices and to otherwise improving service to the community.

On Sunday we had a fine spring day, thermometer registering 54 above. At times of going to press the weather still holds, with keen frost.

Delia kick opened Tuesday night, Dec. 19th, and was well patronized. Although, owing to the mild weather, the ice was somewhat sticky, all the children and grown-ups seemed to be thoroughly enjoying this popular winter pastime.

The provincial seed fair and annual convention of the Alberta Seed Growers' Association will be held in Edmonton, Alberta, on January 14 to 18 inclusive, 1926. There will be interesting and instructive displays delivered, and everyone is invited to take part in the discussion. There will also be a banquet and a good time is assured for all.

Minutes of M.D. Council of Michichi

The Council of the M. D. Michichi, No. 227, met at the Council Chamber, Michichi, Alberta, Dec. 11th, 1925 at 8 p.m. All the members were present. The minutes of the meeting of Nov. 11th were read and approved.

Moved by Coss Edmondson that the minutes be adopted as read. Carried.

Richard Bell appealed to the Council for a word to his land, the S.W. 9-30-17, W. 4. He stated that his only means of reaching this quarter Delia was by the S.W. 9-30-17, W. 4 which was privately owned by Mr. R. A. Peterson, the present owner, who was present, of Fred. Mr. Bell called attention to this quarter on the condition that he kept the gate shut. As this was satisfactory to Mr. Bell the Council considered matter closed.

The report of the arbitrator re the road-way through the N.E. 20-30-17, W. 4 was read. In the opinion of the arbitrator the road was a private road and would not be used by the public in general, therefore it would come under section 10 of the Municipal Act, Chap. 41, 1925, and the expense of establishing the road would fall on the party interested.

Moved by Reeve Savage that the S.W. 20-30-17, W. 4 be taken down an agreement to be signed by J. M. Martin and E. G. Beck, to the effect that Mr. Martin would permit Mr. Beck a wagon and sleigh trail free across the said N.E. 20-30-17, W. 4 on condition that Mr. Beck would guarantee that he would keep the gates closed. Live stock were not to be driven across this quarter. Carried.

Dep. Reeve Taylor moved an adjournment for January, Carried. Council assembled at 1:30 p.m.

Report of the District Engineer re grants was read. On the whole it was a satisfactory nature.

Moved by Dep. Reeve Taylor that the one and a half amount of land now situated presently at the January meetings, that the regular meeting for the coming month be held. Carried.

Moved by Reeve Savage that the following provisions for the annual municipal and hospital districts be held in February, 1926, be effective:

1. Nomination and ratification of members of the Michichi Sanitary Board, Feb. 16th, commencing at 1:00 p.m.

2. Polling, if required, to be held on Feb. 23rd.

3. J. M. Martin to be appointed Reeve of the quarter.

4. Deputy returning officers to be appointed on Feb. 23rd.

5. Nomination and ratification of members of the Michichi Sanitary Board, Feb. 16th, commencing at 1:00 p.m.

6. Polling, if required, to be held on Feb. 23rd.

7. J. M. Martin to be appointed Reeve of the quarter.

8. Deputy returning officers to be appointed on Feb. 23rd.

9. Nomination and ratification of members of the Michichi Sanitary Board, Feb. 16th, commencing at 1:00 p.m.

10. Polling, if required, to be held on Feb. 23rd.

Have you any interest in this plan? It is most important that everyone should know and understand the benefits of the plan. You will surely lose your year if you do not understand the method of selection.

There are numbers who are coming to hear the talks on Sundays at 12 noon in the Baptist Church.

We have good money and bright thinking and we want to get who are the future.

Further Trials for Commercial Fertilizer

It is announced following a recent conference held at Trail, B.C., that experiments to determine the value of sulphuric acid fertilizer on Alberta farm lands will again be carried on by the Department of Agriculture during 1926 at various points in the province.

The results of the experiments along this line conducted during the past season are considered sufficiently important to warrant further tests. Free samples of the fertilizer will again be furnished by the Department of Agriculture and will be carried free of charge by the Canadian Pacific Railway. Special attention will be given to the coming year to the effects of this material on fertilizer when applied in the form of the acid of lighter soil.

Style hint: Divorcee masks should be kept dark.
